*Paid calibrations come with a basic Certificate of Conformity; ANSI Z540.1-1994 compliant certificates are available for an additional \$150.

NOTE: Non-warranty repairs will be billed at current shipping rate per item, see CSR for current flat rates. International orders please see below.

All units to be returned to Tempo Communications, Inc., 1390 Aspen Way, Vista, CA unless otherwise indicated by CSR team

². Return to Tempo Communications c/o Tasco 2895 W. Oxford Ave., #7, Englewood, CO 80110-4370

Customers within EMEA - please contact Tempo for support emeaservice@tempocom.com

International RMA's: Customer shipping account#s should be utilized where possible

Tariffs: If the item is being returned for repair or replacement in US, the value should be the cost of the repair or the replacement cost, not the sale price. For American Goods Returned (AGR) be prepared to prove they are AGR to US Customs

Note: If the shipment is a repair item but not American made goods, we will need an amended commercial invoice or repair declaration with the value of the merchandise and the repair value. If it is a warranty repair, please provide the estimated value of the repairs. The original export information is also needed.
